ICE THEATRE'S SALUTE TO SKY RINK

Thursday, July 19, 1990

SKY RINK

460 West 33rd Street (16th floor)
New York, New York 10001

Welcome to Ice Theatre of New York's Salute to Sky Rink party. The Sky Rink Winter Games facility is New York's only indoor Olympic-size ice arena. It has also been the home of Ice Theatre since the company's founding in 1984. Tonight we thank the Sky Rink Board of Directors and management staff for maintaining this tremendous facility and for their support of the activities of Ice Theatre, the nation's first not-for-profit ice skating company.

Ice Theatre of New York is committed to presenting the finest professional skaters in choreographic works which celebrate and challenge the state of the art. Tonight's program includes works which demonstrate classical skating at its finest, and others which attempt to stretch the boundaries of traditional ice performance. Ice Theatre has recently been awarded a grant from the National Endowment of the Arts to explore ensemble artistic skating, this thrilling theatrical form, in which sport and art come together so uniquely.

Your support of the company will allow this process to continue and to grow, and we look forward to seeing you at future Ice Theatre of New York performances.
