Summer Showcase '94

"Welcome"

This summer has been an exciting, active one for us, and today we will perform the results of our 10 week rehearsal period. This marks the debut for several of the skaters and we welcome them to our company. We would also like to express our gratitude to the commitment shown by the entire ensemble.

Today we are thrilled to present five new works created by artists from the world of dance: Eva Carrozza, Laura Dean, Alberto Del Saz, and Donlin Foreman. Each of these inspiring choreographers has expanded our vision and vocabulary on ice, and we thank them for their creativity and belief in skating as an expressive medium. We especially wish to thank our patrons of the Rehearsal Fund for making our summer work possible. With your support and interest we will continue to expand our vision of a repertory company on ice.
